THIS DECLARATION is made this 5th day of February, 1998, by WILLIAM BREWSTER COMPANY, INC., a North Carolina corporation, referred to in this instrument as "Developer."

STATEMENT OF PURPOSE

Developer is the owner of that certain parcel of land which is known as Tall Oaks located in Iredell County, North Carolina, more particularly described in Exhibit A attached hereto and incorporated herein by reference (the "Submitted Property").

It is in the best interest of Developer, as well as to the benefit, interest and advantage of each person or other entity later acquiring any property in Tall Oaks that certain covenants, conditions, easements, assessments, liens and restrictions governing and regulating the use and occupancy of the same be established, fixed and set forth and declared to be covenants running with the land.

Developer desires to provide for the preservation of the values and attractiveness of the real property in Tall Oaks and for the continued maintenance and operation of such common areas as may be provided.

Developer further desires to create an organization to which will be delegated and assigned the powers of owning, maintaining and administering the Common Area, administering and enforcing the covenants and restrictions contained herein, and collecting and disbursing the assessments and charges hereinafter created, in order to sufficiently preserve, protect and enhance the values and amenities in the Development, to ensure the residents' enjoyment of the specific rights, privileges and easements in the Common Area, and to provide for the maintenance and upkeep of the Common Areas and amenities. To that end, the Developer has or will cause to be incorporated under North Carolina law, pursuant to the Articles of Incorporation attached hereto as Exhibit "B" and incorporated herein by reference, Tall Oaks Homeowners Association, Inc., as a nonprofit corporation for the purpose of exercising and performing the aforesaid functions, said corporation to be governed by the bylaws attached hereto as Exhibit "C" and incorporated herein by reference.

This instrument is being re-recorded because Exhibit B and Exhibit C were inadvertently omitted when originally recorded.

Determination of the violation shall be made by a majority vote of the board or the committee thereof. During any period in which a member shall be in default in the payment of any month, special or other periodic assessment levied by the Association or in violation of any rules or regulations established by the Board of Directors, such member shall be subject to a fine imposed by the Board of Directors which shall be the personal obligation of the person who is the Owner of such Lot at the time when the fine was levied.

ARTICLE V: COVENANT FOR MAINTENANCE ASSESSMENTS

(5.1) Purpose of Assessment. The assessments levied by the Association shall be used: (a) to provide funds for maintenance, upkeep, landscaping and beautification of the Common Area in Tall Oaks; (b) to provide services for the Association members to promote the health, safety and welfare of the residents of Tall Oaks, and in particular for the acquisition, improvement and maintenance of properties, services and facilities related to the use and enjoyment of the Common Areas, including but not limited to the cost of repair, replacement and additions thereto; (c) for the payment of taxes assessed against the Common Area, for insurance related to the Common Area, for the employment of attorneys, accountants and other professionals to represent the

Association when necessary or useful, the employment of security personnel; and (d) the provision of any service which is not readily available from any governmental authority related to the use, occupancy and enjoyment of the properties and which the Association shall decide to provide. The purposes for which assessments may be levied shall include payment for utilities necessary to accomplish the foregoing purposes.

(5.2) Budgeting and Allocating Common Expenses. At least 60 days before the beginning of each fiscal year, the Board shall prepare a budget of the estimated expenses for the operation of the Association and the operation and maintenance of the Common Areas for the coming year. The budget shall also reflect the sources and estimated amounts of funds to cover such expenses, which may include any surplus to be applied from prior years, any income expected from sources other than assessments levied against the Lots, and the amount to be generated through the levy of Annual Assessments and Special Assessments against the Lots, as authorized in Section 5.6.

The Association is hereby authorized to levy Annual Assessments equally against all Lots subject to assessments to fund the Common Expenses. In determining the Annual Assessment rate per Lot, the Board may consider any assessment income expected to be generated from any additional Lots reasonably anticipated to become subject to assessment during the fiscal year.

The Developer may, but shall not be obligated to, reduce the Annual Assessment for any fiscal year by payment of a subsidy (in addition to any amounts paid by Developer under Section 5.3), which may, in the Developer's discretion, either be a contribution, an advance against future assessments due from the Developer, or a loan. Any such subsidy shall be disclosed as a line item in the income portion of the budget. The payment of such subsidy in any year shall not obligate the Developer to continue payment of such subsidy in future years, unless otherwise provided in a written agreement between the Association and the Developer.

The Board shall send a copy of the final budget and notice of the amount of the Annual Assessment to be levied to each Owner at least 30 days prior to the effective date of such budget. The budget shall automatically become effective unless disapproved at a meeting by Members holding at least 75% of the total Class "A" votes and by the Class "B" Member, if such exists. There shall be no obligation to call a meeting for the purposes of considering the budget except on petition of the members as provided for special meetings in the Bylaws. Any such petition must be presented to the board

within 10 days after delivery of the budget and notice of any assessment.

If any proposed budget is disapproved or the board fails for any reason to determine the budget for any year, then the budget most recently in effect shall continue in effect until a new budget is determined.

The Board may revise the budget and adjust the Annual Assessment from time to time during the year, subject to the notice requirements and the right of the Members to disapprove the revised budget as set forth above.

(5.3) Creation of the Lien and Personal Obligation of Assessments. The Developer, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a Deed therefor, whether or not it shall be so expressed in said Deed, is deemed to covenant and agree to pay to the Association:

(a) Annual assessments ("Annual Assessments") as established in Section 5.2 for the purposes specified in Section 5.1 which shall be paid in two equal semi-annual installments due on February 28 and August 31 of each year; and

(b) Special assessments ("Special Assessments") as may be established in Section 5.6 for the purposes specified in Section 5.1 as may be approved by the members, to be established, and collected as provided herein.

In order to secure payment of the Annual and Special Assessments, such charges as may be levied by the Association against any Lot, together with interest, costs of collection and reasonable attorneys' fees, shall be a continuing lien upon the Lot against which each such assessment or charge is made. Each such assessment, together with interest, fines, late charges, costs of collection and reasonable attorneys' fees shall also be the personal obligation of the person who is the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to an Owner's successor in title unless expressly assumed by them. Such assumption shall not relieve an Owner of his obligations.

(5.4) Exempt Property. The assessments, charges and liens created under this Article shall not apply to the Common Area, nor shall they apply to any Lot the title to which is vested either in any first mortgagee subsequent to foreclosure or in the Secretary of Housing and Urban Development or the Administrator of Veterans Affairs or any other state or federal governmental agency which acquired title by reason of

such agency's guarantee or insurance of a foreclosed mortgage loan; provided, however, that upon the resale of such property by such first mortgagee or such governmental agency the assessment shall again accrue on such Lot. Any Lot which Developer may hereinafter designate for common use as part of the Common Areas shall also be exempt by a local public authority, and all land granted to or used by a utility company shall be exempt from the assessments created herein.

(5.5) Maximum Annual Assessments. For any fiscal year beginning during the calendar year 1998 the maximum Annual Assessment shall be Ninety Dollars (\$90.00) on each Lot. For the fiscal year beginning during the calendar year 1999 the maximum Annual Assessment shall be One Hundred Eighty Dollars (\$180.00) on each Lot. Annual Assessments may only be increased in accordance with the following:

(a) From and after January 1, 2000, the maximum Annual Assessment may be increased each year not more than ten percent (10%) above the maximum Annual Assessment for the previous year without a vote of the membership.

(b) From and after January 1, 2001, the maximum Annual Assessment may be increased above ten percent (10%) of the previous year's Annual Assessment by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the Annual Assessment at an amount not in excess of the maximum herein provided.

The Annual Assessments shall be paid as provided in Subparagraph 5.3(a).

(5.6) Special Assessments. In addition to the Annual Assessments authorized above, the Association may levy, in any assessment year, a Special Assessment applicable to that year only provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of the Association members who are voting in person or by proxy at a meeting duly called for this purpose.

(5.7) Date of Commencement of Annual Assessments; Due Dates; Certificate of Payment. The Annual Assessments shall commence as to all Lots on the first day of the month following the date such property is submitted to the provisions of this Declaration. From the date on which the Annual Assessments commence on a Lot until the date on which the Lot is sold by the Developer to a purchaser, the Developer and all other Class B members shall be liable for Annual Assessments at a

rate which is one-third (1/3) of the rate otherwise payable. The first Annual Assessment shall be adjusted according to the number of days remaining in the calendar year when filed. The Association shall, upon demand for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid to date.

(5.8) Effect of Non-Payment of Assessment; Remedies of the Association. Notwithstanding Section 5.7 hereof, the Developer may, at its election, postpone in whole or in part the date on which the assessment shall commence provided that the Developer maintains the Common Area for which no assessment is being collected during the period of such postponement. Any assessment not paid within fifteen (15) days after the due date shall be assessed a late charge as determined by the Board of Directors and bear interest from the due date at an annual rate of twelve percent (12%) but in no event above the then maximum legal rate, and to the extent allowed by law. The Association, or its agent or representative, may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the Lot to which the assessment relates, and interest, costs and reasonable attorneys' fees for such action or foreclosure shall be added to the amount of such assessment to the extent allowed by law. No Owner may waive or otherwise escape liability for the assessment provided for herein by non-use of the Common Area, abandonment of his Lot or for any other reason.

(5.9) Subordination of the Lien to First Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first priority deed of trust or first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any first mortgage pursuant to a foreclosure thereof or under a power of sale or any proceeding in lieu of foreclosure thereof shall extinguish the lien of such assessment as to payment which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof.

ARTICLE VI: USE RESTRICTIONS

(6.1) Use of Common Areas. No planting or gardening by individual Owners shall be done upon any Common Area. Except for the right of easement of enjoyment in and to the Common Areas herein given to each Owner, Owners are hereby prohibited and restricted from using any of the Common Area except as may be allowed and prescribed by the Association's Board of Directors or as expressly provided for herein. ARTICLE VII: EASEMENTS

(7.1) General. Each Lot now or hereafter subjected to this Declaration shall be subject to all easements shown or set forth on the recorded plat or plats of survey upon which such Lot is shown. No structure of any type shall be erected or placed upon any part of a Lot or the Common Area which shall

interfere with rights and use of any and all easements shown on said recorded plat.

(7.2) Utility and Drainage. An Easement on each Lot is hereby reserved by Developer for itself and its successors and assigns along, over, under and upon a strip of land ten (10) feet in width along the rear lot lines of all Lots shown on the recorded plats, and easements five (5) feet in width along the front and side lot lines of all Lots shown on recorded plats, in addition to such other easements as may appear on a recorded subdivision plat for Tall Oaks. The purposes of these easements shall be to provide, install, maintain, construct and operate drainlines to, from or for each of the Lots. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation or maintenance of utilities, or which may change the direction or flow or drainage channels in the easements except for party walls located on a portion of the side line or lines of a Lot. The easement area of each and all improvements in it shall be maintained continuously by Owner, except for those improvements for which a public authority or utility is responsible. With ten (10) days' prior written notice to Owner, Developer may exercise the right to remove obstructions in such easements upon Owner's failure to do so. For the purpose of this covenant, Developer reserves the right to modify or extinguish the herein reserved easements along any Lot lines when in its sole discretion adequate reserved easements are otherwise available for the installation of drainage facilities and/or utility service lines. For the duration of these restrictions, no such utilities shall be permitted to occupy or otherwise encroach upon any of the easement areas reserved without first obtaining the prior written consent of Developer; provided, however, local service from utilities within easement areas to residence constructed upon any such lots may be established without first obtaining separate consents therefor from Developer. The Association may likewise reserve and grant easements for the installation and maintenance of sewerage, utility and drainage facilities in, across, under and over the Common Area.

(7.3) Control of Signs. Developer shall have the right to place permanent and temporary directional and advertising signs for Tall Oaks on the Common Area and unsold Lots and within street rights-of-way until one hundred percent (100%) of the Lots have been sold.

(7.4) Emergency. There is hereby reserved without further assent or permit and to the extent allowed by law, a general easement to all firemen, ambulance personnel, policemen and security guards employed by Developer and all similar persons

to enter upon the Properties or any portion thereof, in the performance of their respective duties.

(7.5) Municipal Easement. A general easement of access is granted to all utility providers, into, over and through each Lot for the purpose of maintaining, repairing and servicing the utility lines located on said Lot and for providing municipal services to which said Lot is entitled.

ARTICLE VIII: GENERAL PROVISIONS

(8.1) Covenants Running with the Land. All provisions of this Declaration shall be construed to be covenants running with the land, and with every part thereof and interest therein, and every Owner or any other person or legal entity claiming an interest in any Lot, and his heirs, executors, administrators, successors and assigns, shall be bound by all of the provisions of this Declaration.

(8.2) Duration. The covenants, conditions and restrictions of this Declaration shall be binding for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive and additional periods of ten (10) years each.

(8.3) Amendment. This Declaration may be amended or terminated during the first twenty (20) year period by an instrument signed by not less than ninety percent (90%) of the Owners, and thereafter may be amended or terminated by an instrument signed by not less than seventy-five percent (75%) of the Owners subject to the following conditions:

(a) All additions or amendments must be consented to by Developer in writing so long as Developer is the owner of any lot in the development;

(b) Notwithstanding anything in this Section 8.3 to the contrary, Developer may, at Developer's option, amend this Declaration without obtaining the consent or approval of any other person or entity if such amendment is necessary to cause this Declaration to comply with the requirements of the FHA, VA, the Federal National Mortgage Association or other similar agency;

(c) No amendment shall become effective until the instrument evidencing such change has been filed of record in the Iredell County Public Registry.

(8.4) FHA/VA Approval. In the event the Developer, its successors or assigns, has arranged for and provided purchaser of Lots with FHA insured or VA mortgage loans, then as long as any Class B lot exists, as provided in Article VI hereof, the

following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration: annexation of additional properties, other than as provided in Article II hereof, deeding, mortgaging or dedication of Common Area to persons other than the Association and amendment of this Declaration.

(8.5) Enforcement. If any Owner shall violate or attempt to violate any of these restrictions, failure to comply with any of the same shall be grounds for an action to recover sums due, for damages or injunctive relief, or both, maintainable by the Board of Directors on behalf of the Association, or, in proper case, by an aggrieved Owner. Any failure by Association or any other Owner to enforce any of the foregoing restrictions or other provisions shall in no event be deemed a waiver of their right to do so thereafter. Invalidation of any covenant, condition or restriction or other provision of this Declaration shall not affect the validity of the remaining portions thereof which shall remain in full force and effect.

(8.6) Headings. Headings are inserted only for convenience and are in no way to be constructed as defining, limiting, extending or otherwise modifying or adding to the particular paragraphs to which they refer.

(8.7) Unintentional Violation of Restrictions. In the event of unintentional violation of any of the foregoing restrictions with respect to any Lot, the Developer or its successors reserves the right (by and with the mutual written consent of the then Owner or Owners of such Lot) to change, amend or release any of the foregoing restrictions as the same may apply to that particular Lot.

(8.8) Severability. The provisions of this Declaration are severable and the invalidity of one or more provisions hereof shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder hereof.

IN WITNESS WHEREOF the Developer has caused this Declaration to be executed under seal on the day and year first above written.
